OFFICE OF THE SENIOR SURGEON WITH THE
GOVERNMENT OF MYSORE

Bangalore, 20th March 1912
Camp Chikrapatna

My dear Sir

Just this minute I got a
letter from the Deputy Assistant
Commissioner - Mr. Chakrapani
of Chikrapatna - enclosing copy

of telegram to the Deputy Commissioner.
From this telegram it would
seem that my letter from

of 30 Sunday's date
did not reach you - I had
information therein
regarding the Tringeei
villagers.

I left the Swami, after attending to him for three days, in a very pretty improved condition. The pain in the chest had almost-completely gone. He was able to sleep during nights but had a slight cough.

Yesterday however i.e., fully ten days after I left Sringeri the Agent-of-the-Math tried to tell deeply untrue that the condition of the Swami was curiously absurd -

(9)

(10)

The Dy Commr at once arranged
to leave Chikmagalur this morning.

I arranged to send Mr. Pattabhi
M.B.C. Esq. & the Deputy Commr.
Both of them left this morning
for Sringeri & I came on to
Sakrepatana.

On arrival at Sakrepatana
the enclosed letter from the

at Sringeri &

I had left full instructions
in regard to treatment -

identifying too soon after improvement
in accordance & his

- - must have taken a cold

- & exposed himself. I shall be

very sorry that it is not possible
present in the Zodi.

The condition of his liver is not
at all satisfactory - He along
owns a pair of drops setting in
& this has evidently commenced -
I noticed his liver being enlarged
at Madura - At Bangalore when
last I saw him there was no
improvement - but on the whole
it gave me room for anxiety -

The heat in these parts is very
great & trying -

I have given full instructions
to Mr. Subbarao as to the line
of treatment to be followed & have
asked him to keep me informed
of the Swami's condition -

I am however afraid
that the Swiss Commission
is anything but satisfactory.

I pass on to Katha tomorrow
morning & propose staying
there on the 22nd & then do

Kjorup & Bern as detailed
in the programme submitted to
you.

Sir,
I humbly beg to report
that the present condition of his
illness is as follows.
Subsequent to my last report
it was reported that he was in
the progress of improvement for
about 2 days in total absence of
pain in the side of the chest,
occasional cough, a few hours'
sleep during nights & a little
reduction of the swelling of the
feet. Now since 2 days it has
reported that cough has increased
a little, especially more during
nights & the sleep was disturbed
on account of cough. Added to
the above symptoms, it was
reported that he had no appetite
& took very little nourishment

Bowels were constipated for 4 days
it was opened by soap water
enema yesterday under my in-
structions. Occasionally there is a
little muttering & talks incoherent
at times. He becomes drowsy toward
evening - last night I was asked to
take my bed in Narasimha Vana
I noticed that he was coughing
very incessantly from 12 PM to 4 PM
& at the end of it he brought out
some expectoration which was scanty
& tenacious. After that he had
no cough & was doing himself
in the sitting posture. Whenever
he attempted to lie either in an
inclined or recumbent posture
cough used to trouble him.
This morning he had a motion
which was semi-solid in consistence
& greenish in color. The swelling
of the feet has extended as far

As above the ankles & pits on
pressure. He has never been
lying in on recumbent posture.
for fear of Cough. He is very
weak & exhausted. Pulse is fine.

It appears that this Patient has
refused to take the mixture, but
on receiving Symp Iulu from
the Medical Stores as per your
kind order. The mixture is being
continued again since 2 days
with the addition of 3p per dose
of Symp Iulu. Pills are being
continued. Harbinger's Lin-

Chest & fomented. I
beg your kind advice on
the matter.

Demi-official letter dated 21st March 1912, from the Dewan to the Huzur Secretary to His Highness the Maharaja of Mysore.

I received your telegram about the death of His Holiness the Sringeri Guru just as we were considering the one we had ourselves received.

2. The death of His Holiness the Sringeri Guru is a very sad event inflicting an irreparable loss equally on the learned and religious world. It also creates a difficult situation owing to the circumstance that the late Swami has not nominated and consecrated a successor.

3. Mr. H.V. Nanjundayya and I have considered the subject together and are of opinion that cautious procedure is required in selecting a suitable successor and that succession should be determined by the fiat of His Highness the Maharaja. The successor should be selected first for his qualifications and character and next as far as possible in conformity with ascertained wishes of the late Jagat Guru. We are making the necessary inquiries and I hope to be able to submit proposals in consultation with Mr. H.V. Nanjundayya and also with Mr. D. Devaraj Urs who has not yet returned to Bangalore.

4. On receipt of your telegram yesterday about the Swami's illness, I found that Dr. P.S. Achyuta Rao was touring in Kadur District and therefore wired to Deputy Commissioner to arrange for his going to Sringeri. But owing to one cause or another and especially because Mr. P.S. Achyuta Rao had come away far eastwards to Kadur, he has not been able to go to Sringeri. The Deputy Commissioner however took with him the Health Officer Dr. Subba Rao who was in possession of full detail of the Swami's illness and the course of treatment to be adopted under Dr. Achyuta Rao's instructions. But I find from the telegram received from Deputy Commissioner

from Sullebail that they heard of the Swami's death at Sullebail.

5. Dr. Krishnaswami Iyer and Mr. Krishna Sastry arrived here last evening and went by night train to Tarikere. They too have of course been too late. They have taken with them a young man who is stated to have been in the view of the late Swami for purposes of adoption as his successor.

6. Enclosed is a copy of a telegram which in consultation with the First Councillor I have this day sent to Deputy Commissioner at Sringeri.

7. I shall keep you informed further in due course for submission to His Highness.

Demi-official letter dated Bangalore, 21st March 1912,
from the Dewan to the Huzur Secretary to His Highness the
Maharaja of Mysore.

Since writing my first letter to you today, I have met Mr. H.V. Nanjundayya again who has collected full particulars relating to the young man whom Krishna Sastry took with him on his way to Sringeri.

2. His name is Narasimha Sastry aged about 18 son of Mr. Gopala Sastry. He has been studying at Bangalore Mimamsa and Vedanta. He knows Tharka and Vyakarna. He studied Tharka for 3 or 4 years under His Holiness the late Guru. He is a native of Sringeri and is altogether very eligible for selection. He is known to have been a great favourite with the late Guru.

3. In these details, Mr. V.P. Madhava Rao and Mr. M.S. Narain Rao whom the First Councillor has consulted fully agree. These cordially support Narasimha Sastry's selection.

4. As the death of the late Swami without the nomination of the successor has apparently been proclaimed all over India, Mr. H.V. Nanjundayya and I think that the interregnum should be terminated as quickly as possible. I shall probably write to you again tomorrow.

My dear Sir

I received last evening your telegram directing me to take necessary steps for safeguarding the Mutt properties and for the performance of arachana etc. The Apts. having been taken due precautions and the ceremonies are being performed on a befitting scale. As soon as I arrived here on the morning of the 21st the Apts. told me that his father had practically ceased and that I had to assume management of all the affairs. There was however no formal handing over of charge; and as satisfactory arrangements have been made I am not meeting in any way. Last evening I carefully went over the Mutt accounts and satisfied myself that the accounts for the year were all sealed - This now everything has been satisfactory.

As regards the succession I shall write below this information. The candidates seem to have been followed.

is to be between the two referred to in my yesterday
the five persons are: —

- (1). Narasimha Shastri
- (2). Appananna family boy
- (3). A boy in Jagat Subba Shastri's family at my

- (5). A Brahmachari of Bera.

of these the last three are, as stated above, the chief
persons noted below: —

No. 5 is only three parts - His family and parents
not known. The Deputy Amildar refused to this in
course of conversation; and so others spoke of him

As regards 4 the Mr. Sankar Shastri said that one
late from said spoke of him as an eligible person
is a Sankar (perhaps Desai) Brahmin of the Dharm
aged about 35 or 40. He is a widower. I have known
from a long time for he lived for some years within the

Verdyanonk in Lya. I agree with Mr. Krishna Shetty in thinking that the boy from could not have seriously meant to commit No. 4 & his accomplices. No. 3 is said to belong to a respectable family; but the boys' parents & guardians are not, it is said, willing to make him a Sangu. It appears Mr. Krishna Shetty, apparently at the direction of the police, a matter of course, wrote to Mr. Krishna Shetty at Mysore to make enquiries about this boy who is about 10 years old. Mr. Krishna Shetty seems to have made the necessary enquiries. Before leaving Seringapatam on the 20th inst. Mr. Krishna Shetty had an interview with H. H. the Maharaja. It appears to me that the boy also told that this Highness preferred No. 1 to No. 3. Still he would have brought the boy here for the police's inspection but the police's friends intervened. They did not consent to the boy's removal to the Government of.

Coming now to No. 1 I have since learnt that he has passed the local examination in English & Kannada, that in Sanskrit Scholastic he has

and Champas, as that he has made fair progress in
and Maimansa. After he began to study Sanskrit a few y
he attracted the attention of the late form of his very
intelligent answer. He has been living at Bangalore with
parents since about a year getting a Scholarship of B. 2.
The Mott and Shriyug Maimansa in the Mott of
College. It appears that the trustees of the institution - Rao B
Rajabhattabhusana Mr. D. Shama Rao and Messrs. H. S. N
Rao and C. Rao Rao have a good opinion of the boy's
character.

It appeared strange to me that the late form should not have
nominated a successor. From enquiries made I learn that it is
not of eligible men that prevented him from nominating
successor. It appears that he would often say that the Mott

Bosman Raju Sharma. During Mr. A. Rameshchandra Iy

his successor. Anyhow the late form it is said authorized Mr Krishna Shastri to spend about the boy to His Highness the Maharaja. It appears His Highness said he would inform the North Sanchit there and see the boy. His Highness was not able to do this. I understand that Messrs. H.V. Narsingappa and V. P. Mahavarkar saw the boy and expressed disapproval of his choice.

According to conversation with the former's son's Messrs. Mr. Krishna Shastri with the former's presence made to Mr. Krishna Shastri a few days ago to bring the Krishna and see about the boy No. 1 after obtaining His Highness the Maharaja's approval. Mr. Krishna Shastri seems to have represented that to His Highness who it is said said observed that anybody acceptable to the form is acceptable to His Highness also. Mr. Krishna Shastri added that you also ^{have} been spoken to about the boy. The boy as I have said in my ^{own} ~~my~~ ^{own} way is better is a native of this place. This fellow is a poor and not a highly learned man. The fact that it is said to be a great person. The former's said the

respectable; as it is said that the father himself was
~~accepted in the North~~ one of the candidates
late from his business he is for ever about his
I also find that this boy is in no way related to the
his mother who apparently has no interest to have in
his cause. I am further informed that the majority of the people
I am told are in favour of this boy; but I have to satisfy
of this by continuing my enquiries.

There is however a party opposed to the Agent and I received
that they are drafting a petition to me. I have given out that
acceptable to all & that anybody, ready, without fear, opinion
can have -

As regards 2 I am told he is somewhat a little - It appears
a student of the local school residing in the Kamau.

Now he is inferior in attainment to No. 1. I shall see
tomorrow. It is said by the Agent that the late from his deci-
sion to the acceptance of No. 2 and that he said the North

this endeavor him than that No. 2 should succeed.
 I have of course hoped and what his partners have to say.
 Perhaps these enquiries of mine are superfluous as it is said
 that His Highness the Maharaja and others have approved
 of No. 1. I shall however continue them until I receive
 final orders about the reception or you direct me not to
 pursue my enquiries.

Yours obediently

My dear Sir,

I received last evening your telegram directing me to take necessary steps for safeguarding the Mutt properties and for the performance of Aradhane &c. The Agent himself has taken due precautions and the ceremonies are being performed on a befitting scale. As soon as I arrived here on the evening of the 21st the Agent told me that his power had practically ceased and ^{that} I had to assume management of all affairs. There was however no formal making over of charge; and as satisfactory arrangements have been made I am not meddling in any matters. Last evening I carefully went over the Mutt premises and satisfied myself that the iron safes &c., were all sealed. Till now everything has been satisfactory.

As regards the succession I shall note below the information I have since gathered. Five candidates seem to have been talked or thought of in this connection; but practically the choice is to be between the two referred to in my yesterday's letter.

The five persons are:-

- (1) Narasimha Sastri
- (2) Ayyanavaru family boy
- (3) A boy in Togeri Subba Sastry's family at Mysore
- (4) Virupaksha Sastry
- (5) A Brahmachari of Benares.

Of these the last three are, as stated above, to be eliminated for reasons noted below:-

No. 5 is out of these parts. His family and parentage are not known. The Deputy Amildar referred to this man in the course of conversation;

and no others spoke about him.

As regards 4, Mr. Srikanta Sastry said that once the late Guru spoke of him as an eligible person. He is a Samrtha (perhaps Desastha) Brahmin of the Dharwar District aged about 35 or 40. He is a widower. I have known him from a long time for he lived for some years with the late Mr. Vaidyanatha Iyer. I agree with Mr. Krishna Sastry in thinking that the late Guru could not have seriously meant to nominate No.4 as his successor.

No.3 is said to belong to a respectable family; but the boy's parents or guardians are not, it is said, willing to make him a Sanyasi. It appears Mr. Srikanta Sastry, apparently at the direction of the late Guru, a month ago or so wrote to Mr. Krishna Sastry at Mysore to make enquiries about this boy who is about 10 years old. Mr. Krishna Sastry seems to have made the necessary enquiries. Before leaving for Sringeri on the 20th instant Mr. Krishna Sastry had an interview with His Highness the Maharaja. It appears he spoke of this boy also but that His Highness preferred No.1 to No.3. Still he would have brought the boy here for the Guru's inspection had the parents or guardians consented. They did not consent and so the boy is not to be thought of.

Coming now to No.1 I have since learnt that he has passed the Lower Secondary Examination in English and Kanarese, that in Sanskrit he has read Champu, and that he has made fair progress in Tarka and Mimamsa. After he began to study Turka a few years ago he attracted the notice of the late Guru by his very intelligent answers. He has been living at Bangalore with his parents since about a year getting a scholarship of Rs.20 from the Mutt

and studying Mimamsa in the Mutt Sanskrit College. It appears the trustees of this institution - Rao Bahadur Rajasabhabhushana Mr. D. Shama Rao and Messrs. M.S. Narayan Rao and C. Rama Rao have a good opinion of the boy's capacity and character.

It appeared strange to me that the late Guru should not have nominated a successor. From enquiries made I learn that it is the want of eligible men that prevented him from nominating a successor. It appears that he would often say that the Mutt might well end with him and that once he expressed this view to Dewan Bahadur Rajadharma Pravina Mr. A. Ramachandra Iyer. It is not quite clear whether the late Guru actually selected this boy or only by his remarks about him led men to infer that he preferred to nominate him as his successor. Anyhow the late Guru it is said authorised Mr. Krishna Sastry to speak about the boy to His Highness the Maharaja. It appears His Highness said he would inspect the Mutt Sanskrit College and see the boy. His Highness was not able to do this. I understand that Messrs. H.V.Nanjundayya and V.P. Madhava Rao saw this boy and signified their approval of his choice.

In connection with the Guru's serious illness Mr. Srikanta Sastry with the Guru's permission wrote to Mr. Krishna Sastry a few days ago to bring Dr. Krishnaswami Iyer and also the boy No.1 after obtaining His Highness the Maharaja's approval. Mr. Krishna Sastry seems to have represented matters to His Highness who it is said observed that anybody acceptable to the Guru was acceptable to His Highness also. Mr. Krishna Sastry added that you also have been spoken to about this boy. This boy as I have said in my yesterday's letter

is a native of Sringeri. His father is a poor and not a highly learned man. The grandfather it is said was a great Pandit. The family is said to be respectable; and it is said that the father himself was one of the candidates before the late Guru was nominated as successor about 45 years ago. I also find that this boy is in no way related to the Agent and his brothers who apparently have no interest to serve in supporting his cause. I am further informed that the majority of the people ~~here~~ here are in favour of this boy; but I have to satisfy myself of this by continuing my enquiries.

There is however a party opposed to the Agent and I received information that they are drafting a petition to me. I have given out that I am accessible to all and that anybody may, without fear, represent his case to me.

As regards 2 I am told he stammers a little. It appears he is a student of the local A.V. school reading in the Kanarese IV and English III class and is reading Raghuvamsa or so in Sanskrit. Thus he is inferior in attainments to No.1. I shall see him tomorrow. It is said by the Agent that the late Guru was decidedly opposed to the succession of No.2 and that he said the Mutt might rather end with him than that No.2 should succeed. I have of course to find out what the boy's partisans have to say. Perhaps these enquiries of mine are superfluous as it is said that His Highness the Maharaja and others have approved of No.1. I shall however continue them until I receive final orders about the succession or you direct me not to pursue my enquiries.

My dear Sir,

I saw the Ayyanavaru family boy yesterday in the A.V. School and examined him. He is in the English Lower Secondary class but has not applied for the examination. He knows English, Kanarese and Sanskrit. He stammers a little. He is about 13 years and 4 months old and is good looking. His name is I. Lakshminarasimha Sastry. He has an intelligent look and is his father's only son by the first wife. This morning the boy Narasimha Sastry, who has the support of the Agent and his brothers, was introduced to me. He is older and darker. I have already written to you about his attainments.

The petition that I referred to has not been presented; and I am told it may not be presented at all.

I had asked the Deputy Amildar of Sringeri and the Amildar of Koppa to make inquiries. The former says that the majority of the people here are in favour of Narasimha Sastry. The latter says that $\frac{7}{10}$ are in favour of I. Lakshminarasimha Sastry. After all it is not the majority at Sringeri that can decide the matter.

Though there is difference of opinion about who the Swamy should be all are agreed that Mr. Srikanta Sastry should be the Agent and that in the event of his giving up the management the Mutt will dwindle into insignificance.

Considering all the circumstances it is my humble opinion that the succession of Narasimha Sastry will be to the interest of the Mutt. A

Mysore,
28th March 1912.

My dear Sir,

Enclosed is copy of a letter just received from the Deputy Commissioner of the Kadur District. It is the third of a series of D.Os. of which the first two have already been furnished to you for submission to His Highness.

2. I had a long interview yesterday by appointment, with Mr. Lakshmipuram Srinivasachar (a Srivishnava), Pandit in Oriental Library. He explained to me certain passages in Sanskrit books relating to the life of the great Sri Sankhara founder of the Smartha sect, from which one piece of information pertinent to the present juncture is that the last late Guru was the 32nd of his line in which only two had been Grahasthas when they took to the Sanyasa Asrama. All the rest were Brahmacharies who took to the Sanyasa Asrama and then succeeded to the Guruship. All these thirty therefore underwent study apprenticeship under the Gurus of the day before they succeeded. Another point which he made was that the present is the only instance in the history of the Mutt of the Muttguru passing away without appointing and consecrating his successor.

3. In the course of conversation I could get nothing

militating against the existing head of one Mutt being translated to the headship of another. None of the existing Smartha Mutts have the erudition of the late Guru of Sringeri. Not even he of the Sivaganga Mutt who could make no impression on the learned though he had the powers of fascinating the unlearned or uninitiated. Another point made in the course of conversation was the great loss which the religious and the learned world would suffer by the absence of light and leading from the Sringeri Pitha. Such loss would be inevitable if a young man were now selected for the succession, for under the most favourable circumstances, it would be fifteen or twenty years before he could be learned enough to adorn the position. This is a feature of the situation which the late Guru ought to have foreseen years ago and duly provided for. Now that he failed to do this, it behoves Government and the public to see whether this could not be remedied by the selection of one already fully learned and competent to do justice to the place straight off. At my request he mentioned the names of two persons in the Mysore State whom on the spur of the moment he could think of. It struck me that there is much in this aspect of the position of affairs worth thinking over.

Yours Sincerely

My dear Sir,

I am in receipt of your letter of the 27th instant in which you ask my opinion in regard to the suggestion made by His Highness the Maharajah that the present Swami of the Swarganga Math may be appointed to the Sringeri Math in succession to the late Gurur. Allow me to submit for the information of His Highness that I consider the proposal as one that will not commend itself to the followers of the Math or to the Hindu public at large. I say the Hindu public advisedly because the late Gurur was a great personality and was held in the highest esteem by all sections of Hindu India.

India. both as occupant of one of the four
great seats of learning founded by Sri
Sankara and also as a religious teacher
noted for his purity and profound know-
ledge of philosophy. As regards the followers
the matt they are to be counted by lakhs
both in the South, in Mysore, Maharashtra
& in Northern India. The reasons against
the proposal are; — that Swamanga is a
matt supposed to be an offshoot of Sringeri
and having spiritual jurisdiction over Co-
durg district in Mysore. It is practically an
independent matt with its own vested in-
terests which are in some particulars antagonistic
to those of Sringeri. There is no precedent of
one matt although representing the same
school of thought being appointed to the head-
ship of another matt. If the Swamanga
is appointed to the gurn of Sringeri ques-
tions of precedence on the Swamanga matt will
arise and will have to be solved unless the two

(35)

Matts are to be amalgamated. This is
view of the vested interests of the two
and of their followers will be an undesirable
step to take. In these matters it is safe
to avoid innovations and to follow
precedents and be guided by public
opinion. Especially in these days when
spirituality is declining we should be
careful to see that nothing is done which
would weaken the hold of these ancient
institutions on the allegiance and
loyalty of the Hindus or lessen their
reverence for in which their hearts
are held. Sringeri in particular
is distinguished among the matts
in India as the 'Varadapitha' or
Seat of the Goddess of Learning.
It was the solicitude of the penin-
mate guru that the tradition that
the gurus presiding over the matt
should be men not only of piety
but of profound learning as well
should be maintained.

that led him to bring all his influence

Raja Wodeyar III to persuade the guardian
of the late Guru who was then only a boy
of nine years of age to allow the boy to become
his Chela with a view to the late Guru being
trained under his immediate supervision
to fill the exalted office of Jagadguru in
success in himself. The father of the late
Jagadguru was one of the ornaments of the
Court of the penultimate Maharajah and
was known as a man of great learning
and exemplary character and the Guru
himself gave early promise of his future
greatness as a religious teacher of profound
learning.

In selecting a successor the tradition

on the look out  for a young man

fortune was that none came up to his
high ideal but it is well known that during
the last few months he had been seriously
thinking of selecting the Brahmachari
belonging to a poor but respectable family
whose grandfather was noted as a
learned Pandit. I also learn that the
grandfather taught Vyakarna to the
penultimate guru and that the guru
had at one time an idea of selecting
the son of his teacher (father of the present

 I know how the ^{W. of} South India
 expects that the Pithe was left vacant
 even for a day and how the people
 are looking forward to seeing a
 successor appointed at least before
 the Mahapooja on Saturday next. It is
 well known that the young men have
 been got down specially with a view
 to the ^{his being given} ~~the~~ Upadesa by the Jagadguru in person

be remembered that what His Highness
is asked to do is merely to supply
the deficiency in the succession
being appointed personally by the
departed guru. This the Maharajah
does as representing the Hindu public
the Act being in accordance
the expressed wishes of the late guru.
If this is not done and the successor
appointed in time to the Maharajah
the Maharajah question will arise
as to whether election should
not rest with the Government.

of the followers of the Matt the
will be wasteful litigation and
and the Matt being dragged in
and the state also discredited
Maharajah's power & appoint a
rest on vague ideas of the Sovereign's
in those matters and should never
exposed to the risk of being called
question. After all his interference
he persisted only by action

he made work on the work of
Guru. It should not also be forgotten
that he was under the protection of
Lunayet Rajah of Keladi after
of the Vijayanagar Empire and came
the jurisdiction of the Rajahs of
after the fall of Srirangapatna
the formation of the Maratha
State. It was the penultimate

Sri Krishnaraya Wodekar (M.D.)

our ~~high~~ ^{high} municipal patronage
 of Samant Varma. was looked
 upon as the successor of the Peigwar
 and as the leading Hindu Congress
 in the north. It is not desirable
 on the reference of a question
 connected with the Maharaja's
 jurisdiction in regard to such
 delicate matter as succession
 of metals but as a very critical
 situation has arisen in which
 any delay or error will have
 far reaching consequences and
 affect the influence of the Maharaja
 in regard to matters of ^{the Maharaja's} ~~the Maharaja's~~
 momentous importance to the
 spiritual welfare of millions
 of Hindus I have gone out of
 the way to indicate what would
 be a wise course to adopt.
 But it may be asked what
 has all this got to do with the

question but which was whether the
Awagunja Gurm could be appointed
or needed to the drungeri ~~mat~~ Pitha
or not. The reply is easy & is given
below with reasons for it. But I have
gone out my way in suggesting how
A is Highness should act because
of my interest in the good name of the
State, in the good name & continued
usefulness of the great Gurm
mult, & the wisdom of the Chao and
the special advantage I enjoy of being
intimately acquainted with the past
history & present position of the Gur
and of its last illustrations occupy
his ideas.

Reason for objecting to the
Awagunja Gurm succeeding

He was not one of the
the Gurm had in view

2. There is no precedent
for the  of one math
being appointed to succeed
the guru of another math
if this could be allowed the
quarrels & disputes between
the Arungeri, Kundli Arungeri,
Pushpageri, Virupaksha Math
which are a source of never
ending litigation & heartburn
would have been put a stop
to long since by the power-
ful Kings of Keladi, of Vijayanagar
& by the Marhattas

3. The guru of the Arungeri
math is not learned in
the Vedas & is not a
scholar

My dear Sir,

I enclose herewith a
jataka obtained from Gopi Sas-
tri as that of his son. I am
told that there may be some
clerical errors in it, but it is
the original in his possession.

I have since been making
further enquiries in all possi-

ble quarters, and it seems to me that the boy, though not as robust as would have been desirable, is yet better suited than any other that we are likely to get. He must have a Brahmachari, and he must be one that will do credit to H. H., the Maharaja and others responsible for the selection. He also seems to be the only candidate for whom we can with some confidence assume the approval of His late Holiness. A vacancy for any appreciable interval in such an important

Pitha is almost unprecedented and it is felt very keenly by all persons interested in the matter. I would therefore strongly urge that the matter be decided as early as possible, before His Highness leaves for Botacamund.

As for the proposal to translate the Svaganga Svamī, I think it is quite impracticable. The Svamī has been installed in the guru-parampara of that Matha and has to perform āradhana (Corresponding to Śraddha of fri-

has to) every year to the previous
Gurus of his own line. There is
no procedure anywhere prescribed
to ~~allow~~^{effect} his transfer to another
line of Gurus. The State as you
know is not the religious head
in this country as e.g. it is in Eng-
land, and there are obvious limits
to what it can ~~eff~~ accomplish
in that sphere.

I would therefore humbly
advise that not the slightest en-
couragement should be given
to such an idea, and I am

frail that it would not enhance
our prestige if we attempt to
carry it out.

On the other matters re-
ferred to me, I shall I hope
be able to write to you in a
day or two

I beg to remain,

Yours sincerely

११. श्रीमज्जिमुकु शिवाभिनव नृसिंह भारती स्वामी
मठशृंगेरी हे गेल्या आठवड्यांत समाधिस्थ झाल्याचा
बातमो ऐकून सर्व हिंदु धर्माभिन्नांक हळूहळू वाटल्या
वांचून राहणार नाही. स्वामीचा जन्म शके १७८०
साली झाला असून आपल्या वयच्या ७ व्या वर्षी
त्यांनी संन्यास घेतला. त्या वेळचे शृंगेरी मठाचे शंक
राचार्य श्रीमन्नरसिंह भारती स्वामी ह्यांना लहानपणीच
ह्यांच्या लक्ष्यावरून हे मोठे योगी होतील, असे
जाणिले आणि त्यांच्या मातुःश्रीच्या परवानगीने त्यांना
संन्यासाश्रम देऊन अध्ययनासाठी आपल्याजवळ ठेवून
घेतले. श्रीमन्नरसिंहभरती स्वामींच्या सांगितल्यात दहा
वर्षे सर्व शास्त्रांचे अध्ययन होऊन ह्यांचे नैसर्गिक बुद्धि-
तेज सर्वत्र प्रकाशित होऊ लागले. पुढे शके १७९६
त ते शृंगेरी मठाचे गादीवर अधिष्ठित झाले. आद्यश्री-
शंकराचार्यापासून श्रीशिवाभिनव हे ६१ वे पुरुष होत.
चवदाव्या शतकांताला प्रसिद्ध विद्यारण्यस्वामींच्या
पठिभाग हळी समाधिस्थ झालेल्या स्वामींच्या इतका
विद्वान व योग्य पुरुष दुसरा झाला नाही, असे ह्यागतत.
हे स्वामी महातपस्वी, पंडित आणि योगनिष्ठ असल्या
मुळे इत्येक भाविक लोक तर ह्यांना आचार्यांचा
द्वितीय अवतारच मानित असत. मज्जिमुकुपदवीला
साजेल अशी धर्मशास्त्रप्रवीणता, कर्कडीत व्रतान्वरण
आणि शुद्ध सात्विक वृत्ति ह्या गुणांच्या समुच्चयामुळे
ह्यांच्या कारकीर्दीत शृंगेरी मठाचे नांव सर्वतेमूर्खी
झाले आहे. आपल्या सुमारे ३८ वर्षांच्या कारकीर्दीत
ह्यांच्यामार्गाने प्रमुख पवित्र स्थानांचे दर्शन घेण्याक
रिता आणि शिष्यवर्गास उपदेश करण्याकरिता त्यांनी
बराच प्रवास केला होता. या प्रवासांत हिंदुधर्माचा
चित्ता मलाचि आली आहे ह्याचे सूक्ष्म निरीक्षण करून,
धर्मज्ञानाच्या प्रसारखरीज ही मला नि दूर व्हावयाची
नाही, असे त्यांचे ठाम मत बनले आणि हे धर्मज्ञान
प्रेषाकरिता प्राचीन परंपरेने संस्कृत भाषेचे पूर्ण अध्य-
यन होण्यासाठी त्यांनी बंगळूर येथे एक संस्कृत
महापाठशाळा स्थापिली आणि त्या पाठशाळे
लगतच अध्यापक व शिष्यवृंदाची राहण्याचीही सोय
करण्यात आली आहे. स्वामींनी दोन वर्षांपूर्वी
त्रावणकोर संस्थानांत कालटी गांवी आद्यश्रीशंकराचार्य
ह्यांचे जन्मस्थान शोधून काढून तेथे श्रीशंकराचार्यांचे
स्मारक म्हणून एक, आणि त्यांच्या अराध्यदेवता शारदाबा
हिचे एक, अशी दोन मंदिरे स्थापन मोठा उत्सव केला.
अलोकडील परिस्थिति लक्षांत घेऊन जातीजातीतील
पोडोद मोडणे, वर्णकांस पावन करून घेणे, वगैरे
कामां ते उदार व दयार्थ हृष्ट दाखवीत असत.
स्वामींनी समाधिस्थ होण्यापूर्वी मंत्रोपदेश करून कोणास
शिष्य करून ठेविलेले नाही असे म्हणतात. खरोखर असे
ह्याले असल्यास त्यामदल सर्वांचेच सखेदार्य वाटेल;
कारण सर्व कामांत ते व्यवहारदर्श असून हे महत्वाचे
काम त्यांच्या हातून राहिले असल्यास ते आश्चर्यच
झटले पाहिजे. आतां शृंगेरी मठाच्या सर्व आदि-
मान्यांनी शंकराचार्यांचे पीठास आणि विशेषकरून
समाधिस्थ झालेल्या श्रीशिवाभिनव नृसिंहभारती स्वामी-
च्या योग्यतेस साजतील असे सविशेष शोधून काढून
त्यांचे ह्या महत्वाच्या गादीचा अधिकार धावा, अशी
आमची सूचना आहे. बंगलोर मुकसी कुडलगी मठाचे
एक स्वामी रहात असून ते शृंगेरी मठाच्या शिष्यांपैर
पैरतीलच आहेत आणि वास्तविकपणे त्या पीठावर बस-
ण्याचा त्यांच्याच हक्क असून दैवयोगाने ती गादी दुस-
ऱ्याच शिष्याकडे गेली असे कित्येकांचे ह्यागणे
आहे. परंतु हा प्रश्न काहा केवळ बडिलाजित इस्टेटी-
वरील हक्काचा नसून विद्वत्तेचा व योग्यतेचा आहे असे
आह्मांस वाटते. तेव्हां या कामां न्हेसूर संस्थानाकडून
आणि मठाच्या शिष्यशाखेकडून योग्य अशीच निवड
होईल, अशी आह्मांस आशा आहे.

NOTE.—1. The continuity of the line of succession of Jagadgurus has passed on from No. 1 down to No. 64 without break and at present exists in No. 64.

2. * During the time when No. 43. Jagadguru Sri Narasimha Bharati Swamy was absent from Sringeri on a religious tour about 1581 A. D., some other Narasimha Bharati belonging to quite a different line appears to have cropped up at Sringeri and taken possession of the Mutt. This latter calls himself in his Sasanams as (Inscriptions) "disciple of the lotus feet of Sringeri Narasimha Bharati Swamy." (Vide Rice's Epigraphia Indica, Kadir District, Sringeri Jahgir, Page 92, Sasanam No. 2, Line 3, and Page 93, Sasanam No. 12). And it is this very disciple Narasimha Bharati that is the original ancestor of the present Sachchidananda Sivabalanava Narasimha Bharati at Sringeri.

No. 43. Jagadguru Narasimha Bharati and his lineal descendants made Kudli their capital and continue to reign there now.

3. ‡ While No. 64. Narasimha Bharati of Kudli was on a religious tour in 1875, another stray sanyasin occupied the Kudli Mutt and established himself at Udghatti, a village in Ranibennur Taluka of the Dharwar District. This individual is Vidyashankara Bharati alias Mathur Venkatrama Sastry and his successor is Shankara Bharati alias Rangashastri of Udghatti.

My dear Sir,

I send herewith a draft
★ of an order that may be is-
sued in connection with the
management of the Affairs
of the Sringeri Matha. I have
made it as Comprehensive
as ~~to~~ I could, but at this

stage, I do not think that we can usefully go into further details. In fact I am doubtful whether I have not made it too minute, and whether it will not be found unpracticable to work up to it. I have here & there attached queries to provisions which are doubtful.

17 I have ventured to draw up a draft for autho-

rising the installation of a

Letter from D. C. K. and Gott etc.

Government of H. H. the
Maharaja have learnt with
profound regret of the death
of H. H. the Pranigala of Prin-
feri without having had time
to make final settlement as
but succession to the Pitha.

His Holiness Sri Sachchi-
swa-
dananda Abhinava Nara-
dinha Bharati Swami
had by his profound scho-
larship, deep piety and

and an unbroken holy
life of years as the
head of this revered
institution, ~~and~~ won
the love and admira-
tion^{not only} of his disciples throughout India
but of all who had
in any way come in
contact with him.

H. H. feels that the loss
~~is irreparable~~ to the Hindu
world and religion
is well nigh irreparable,
and that it has cast
upon government the onerous
duty of ^{installing} ~~selecting~~ a suc-
cessor in every way
fitted to carry on
the ^{holy} traditions ~~and~~
of the death in a
worthy of
history

After anxious and
careful consideration, His
Highness has resolved upon
accepting ~~the person~~
~~of the person~~ as the
most eligible person to oc-
cupy the exalted position
of the Guru of the Matha.
He is a young man of
19 years, a brahmachari
studying Mimamsa and
Vedanta in the Pathashala
of the Matha in Banga-
lore. It is understood
that His Holiness, the
late Guru had long an
eye on ~~the~~ ^{him} young man
as a possible successor
~~and~~ ^{had been} watching his career
as a student and help-
ing him in various

ways. ~~He~~ Before coming
to Bangalore, this candidate
had studied Sankhya under
the late Sravanigal, and
had been greatly appreciated
for his intelligence and
character. Just before
the lamented demise of
the late Gurn, the young
man had been sent
for to Sringeri ^{to be} ^{by} for conse-
cration directly under the
Upadesa of the late Gurn,
but ~~before~~ ^{could not} he ~~could~~ reach ~~at~~
~~Sringeri~~ ^{there} ~~Shringeri~~ in
time.

After making the
fullest enquiry and taking
into consideration the
presumable wish of
Sravanigal,

H. H. the Maharaja con-
siders that ~~the said~~
~~the said~~ ~~the said~~ ~~the said~~
is likely to conduct himself
in such ~~a~~ way as to
preserve the ~~the~~ holy tradi-
tions of the exalted position
and to support its prestige

religious Matha, of India
and is pleased to autho-
rise that the said ~~the said~~
~~the said~~ be so
installed as the ^{Jr} successor
of Sringeri Matha in
succession to the late
Sri Swabhinava Sachin-
dananda Narayana Maharaja

My dear Sir,

I believe there
are 2 or 3 motor cars
at the disposal of Govt.
Could you if convenient
direct that one
be given to me for

going to Pringle, as
I fear there will be
hardly time to go in
the usual manner

If a foot² car is not
available, can you give
me permission to hire
one here at the cost
of foot², charging foot²
with only half rates
of travelling allee?

As a third (& neces-
sary alternative), would
you kindly authorize
the Military Secretary
to send me a motor
car & 2 pairs of
horses as usual for
the trip?

Thanking you
in anticipation, I
am Yours Sincerely
H. W. Henshaw

Thursday

My dear Sir.

I received this morning your telegram directing me to settle the dates for the Consecration of the new Gurne and calling for some information.

Two things have to be done, viz.,

- (1) Adopting the Asrama of Sanyasi
- and (2) installation as Head of the Math.

No specially auspicious day is necessary for (1). No (2) requires an auspicious day. Whoever the Successor may be, the ceremonies can only be

be commenced after the Agent Mr. N. Srikanta Sastry, who left for Mysore yesterday returns from there.

If he returns on Saturday, ~
(1) will be performed on Sunday (7th inst) and (2) on Monday. If he should return on Sunday (1) will be performed on Monday and (2) on Wednesday (10th inst)

The Ceremonies for (1) are described in Dharma Sastras and are not likely to cost much.

With a view to give you an idea of the ceremonies in connection with (2) I enclose an extract from the Shaha Anual Register describing the ceremonies on the last occasion.

It will be seen that they correspond to the Installation of a King. People have to be fed and Dakshina given. A procession is also necessary. It can only come off a day or two after the installation.

The ~~stradhana~~ Ceremonies of the late Queen ended on Tuesday last and everything was done on a be-fitting Scale.

So far as my information goes there is nothing to be done on behalf of the Government or of the Palace on the installation day.

I remain,
yours obediently
Abraham

2. His Highness the Maharaja
is aware of the fact that it was the

the intention of His Holiness the late Swami to consecrate, as his successor, Narasimha Sastry, son of Gopi Sastry. Narasimha Sastry who is now about 19 years old and is studying Mimamsa and Vedanta in the Sringeri Math^{Patashala} at Bangalore, is reported to be a brilliant *Student and a Brahmachari* ~~young man~~ of unblemished character and great promise. He was specially sent for by His Holiness to Sringeri and if he had arrived there ^{two} ~~a~~ days earlier he would have received his "upadesha" at the hands of the late Swami himself. In these circumstances, His Highness the Maharaja is pleased to give effect to His Holiness' wish and to direct that the ceremony of consecrating Narasimha Sastry as the Swami of the Sringeri Matha be performed at the earliest date possible with all due form.

PROCLAMATION.

His Highness the Maharaja has learnt with profound regret of the demise of His Holiness Sri Sachchidananda Sivabhinava Narasimha Bharati Swami of Sringeri Matha without having had time to make final settlement about succession to the Pitha. His Holiness had, by his profound scholarship, deep piety and an unbroken holy life of forty-six years as the head of this revered institution, won the love and admiration not only of his disciples throughout India but of all who had in any way come in contact with him, and His Highness the Maharaja feels that the loss to the Hindu world and religion is ~~well-nigh~~ irreparable.

2. His Highness the Maharaja is aware of the fact that it was the intention of His Holiness the late Swami to consecrate as his successor Narasimha Sastry, son of Gopi Sastry. Narasimha Sastry who is now about 19 years old is studying Mimamsa and Vedanta in the Sringeri Matha Patashala at Bangalore, is reported to be a brilliant young man of unblemished character and great promise. He was specially sent for by His Holiness to Sringeri and if he had arrived there two days earlier, he would have received his "upadesha" at the hands of the late Swami himself. In these circumstances, His Highness the Maharaja is pleased to give effect to His Holiness' wish and to direct that the ceremony of consecrating Narasimha Sastry as the Swami of the Sringeri Matha be performed at the earliest date possible with all due form.
